

## FLASH SHEET REFERENCE

Please refer to Flash Sheet 2026F10 for additional details about the Facility Explorer (FX) Field Controller 12.0.2 patch and the DLK local display 12.0.0 release. Flash Sheet 2026F10 is available on the [JCI Knowledge Exchange](#).

The Flash Sheet provides the following information:

- The FX field controllers to which the patch is applicable.
- The issues resolved by the patch.
- Installation instructions for the applicable FX field controllers.
